Whistleblower Policy

As accepted by the State College of Florida Board of Directors in June 2016

The State College of Florida (SCF) is an organization with strong values of responsibility and integrity. Our written standards, rules, procedures, and policies contain general guidelines for conducting business with the highest standards of ethics.

SCF is committed to an environment where open, honest communications are the expectation, not the exception. We want you to feel comfortable approaching your faculty, advisors, supervisor or management in instances where you believe violations of policies or standards have occurred.

In situations where you prefer to place an anonymous report in confidence, you are encouraged to use this hotline, hosted by a third party hotline provider, EthicsPoint. You are encouraged to submit reports relating to violations stated in our written standards and policies, as well as asking for guidance related to policies and procedures.

The information you provide will be sent to us by EthicsPoint. Reports made in EthicsPoint and associated investigatory records will be kept confidential to the extent possible under applicable state and federal law. Be advised that revealing your identity in EthicsPoint may result in disclosure of your identity in response to a public records request under Florida's public records law [Chapter 119, Florida Statutes]. You have our guarantee that there will be no retaliation or reprisals for reports made in good faith about potential breaches of SCF policy and procedures. All reports will be reviewed to the fullest extent possible.

*OUR MISSION: We connect donors' passions and regional partners with State College of Florida's outstanding students, faculty, programs and community, and we steward foundation assets consistent with our donors' intent.
Thanks to YOU, WE ARE SCF!*
