INDEPENDENT AUDITOR'S REPORT

Board of Directors
State College of Florida Foundation, Inc.
Bradenton, Florida

We have audited the accompanying statement of financial position of the State College of Florida Foundation, Inc. (the Foundation) as of September 30, 2009, and the related statements of activities, functional expenses and cash flows for the year then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of September 30, 2009, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated February 18, 2010, on our consideration of the Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

See accompanying notes.

STATE COLLEGE OF FLORIDA FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Organization and Nature of Activities: The State College of Florida Foundation (the Foundation) is a not-for-profit corporation organized in 1982 under the laws of the State of Florida. The Foundation operates exclusively for charitable and educational purposes within the meaning of 501(c)(3) of the Internal Revenue Code. The Foundation's mission is to provide aid in the form of money and other forms of property and services to the State College of Florida, Manatee-Sarasota (the College). The Foundation also promotes education and encourages learning and dissemination of information about which the College is involved.

The Foundation was formerly known as the Foundation for Manatee Community College, Inc. During the year ended September 30, 2009, the Foundation changed its name to coincide with the change of the College's name from Manatee Community College.

Basis of Accounting and Presentation: The Foundation follows the reporting requirements for not-for-profit organizations under generally accepted accounting principles in the United States of America. Under such principles, the Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Cash and Cash Equivalents: For purposes of the statement of cash flows, the Foundation considers amounts on hand, in checking accounts and money market accounts as cash unless held for the purpose of reinvestment.

Investments: Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Realized and unrealized gains and losses are included in the statement of activities. Investment income includes interest and dividend income, net of fees, and is included in the statement of activities separate from gains and losses.

Pledges Receivable: Promises to give are recorded at fair value if expected to be collected in one year and net realizable value if expected to be collected in more than one year. Unconditional promises to give are recognized as contribution revenue in the period received. Conditional promises to give are recognized when the conditions on which they depend are substantially met. An allowance for doubtful accounts is established based on specific assessment of all amounts that remain unpaid following normal payment periods. All amounts deemed to be uncollectible are charged against the allowance for doubtful accounts in the period the determination is made. At September 30, 2009, all pledge receivables are considered fully collectible.

Property and Equipment: Property and equipment is stated at cost or estimated fair market value if donated. Depreciation is provided on the straight-line method over a five year period. The policy of the Board of Directors is to capitalize any fixed asset purchased or donated with a value in excess of \$1,000 and with a useful life exceeding one year.

STATE COLLEGE OF FLORIDA FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Beneficial Interest in Remainder and Perpetual Trusts: The Foundation has received several donations made directly to third parties which are held either for a certain period of time or in perpetuity for the Foundation's benefit. Annual earnings are provided to the Foundation which may be purpose restricted by the donor. The assets of the trusts are invested in a combination of cash equivalents and marketable debt and equity securities with readily determinable fair values. The Foundation's percentage interest of each trust is reported at their fair values in the statement of financial position. The change in value of these trusts is reported as changes in value in beneficial interest in remainder, or perpetual, trusts and are included in the statement of activities.

Deferred Revenue: Contributions, fees and other revenue sources collected in advance of special events that are held subsequent to year end are deferred and recognized in the year of the function.

Annuity Liabilities: The Foundation has been named remainderman in three irrevocable charitable gift annuities. An annuity liability has been recorded at the present value of expected future cash flows to be paid to the annuity beneficiary at discount rates ranging from approximately 7 to 8 percent.

Contributions: Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted contributions are reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

In-Kind Donations: The Foundation recognizes in-kind donations which create or enhance non-financial assets or that require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation.

Bequests and Trusts: The proceeds of bequests and trusts are recorded as revenue when clear title is established and the proceeds are clearly measurable.

Functional Expenses: The costs of providing the various programs and activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Tax Status: The Foundation is generally exempt from Federal income and State income taxes under Section 501(c)(3) of the Internal Revenue Code and comparable state law. The Foundation is required to pay income taxes on the excess of revenues derived from activities unrelated to the tax-exempt purpose of the Foundation over the related expenses.

STATE COLLEGE OF FLORIDA FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE A: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassifications: As of September 30, 2008, net assets were reclassified between unrestricted, temporarily restricted, and permanently restricted. This reclassification had no effect on total net assets.

Subsequent Events: The Foundation has evaluated all subsequent events through February 18, 2010, the date the financial statements were available to be issued. No material subsequent events occurred which would have a material impact on the Foundation's financial statements.

NOTE B: INVESTMENTS

The Foundation engaged the services of a nationally recognized financial advisor (SEI Investments, Inc.) which specializes in asset management for not-for-profits. Investments are stated at fair value and are comprised of the following as of September 30, 2009:

U. S. equities	\$ 10,862,402
Alternative investments	1,721,836
Fixed income	15,316,983
International	4,774,676
Other	<u>2,021,679</u>
Total	<u><u>\$ 34,697,576</u></u>

NOTE C: PLEDGES RECEIVABLE

Pledges receivable consist of unconditional promises to give. Pledges which are due in excess of one year are discounted to net present value using a discount rate of 4%. Pledges receivable are due to be collected as follows as of September 30, 2009:

Gross amounts due in:	
One year	\$ 116,000
One to five years	210,000
More than five years	<u>100,000</u>
Total gross pledges	426,000
Less discount to present value	<u>(70,706)</u>
Total	<u><u>\$ 355,294</u></u>

STATE COLLEGE OF FLORIDA FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE D: PROPERTY AND EQUIPMENT

Property and equipment consists of the following as of September 30, 2009:

Computers and software	\$ 34,163
Office equipment	37,692
Total property and equipment	<u>71,855</u>
Less accumulated depreciation	<u>(62,942)</u>
 Total	 <u><u>\$ 8,913</u></u>

NOTE E: BENEFICIAL INTEREST IN REMAINDER TRUSTS

Donors have established funds in trust with specified distributions to be made to the Foundation over the trust's term. Upon termination of the trust, the Foundation will receive the remaining assets within the trust, or a percentage of these assets if there are multiple beneficiaries. Beneficial interest in remainder trusts, recorded at fair market value are as follows as of September 30, 2009:

██████████ The Foundation is one of four beneficiaries and will collect 25% of principal in the year 2023. The trust currently pays quarterly distributions of income to the Foundation. \$ 150,924

██████████ Upon death of the income beneficiary, the Foundation will receive 50% of the remaining principal which is donor restricted for nursing scholarships. The trust currently pays distributions of income to the Foundation. 42,695

██████████ Upon death of the income beneficiary, the Foundation will receive 100% of the remaining principal which is donor restricted for transfer student scholarships. 123,355

Total beneficial interest in remainder trusts \$ 316,974

STATE COLLEGE OF FLORIDA FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE F: BENEFICIAL INTEREST IN PERPETUAL TRUSTS

Donors have established funds in trust in which the principal is held in perpetuity. Each fund has established its own percentages of principal being held for the benefit of the Foundation. Earning distributions are made to the Foundation as established within the trust agreement. Beneficial interest in perpetual trusts recorded at fair market value, are as follows as of September 30, 2009:

██████████ Pays annual income to the Foundation restricted for scholarships.	\$ 290,819
██████████ Pays 25% of the residuary amount to the Foundation restricted for music scholarships and equipment.	513,102
██████████ Pays 10% of 70% of the trust assets to Foundation restricted for the arts and library departments.	92,249
██████████ Pays annual income to Foundation without restriction.	33,318
██████████ Pays annual income to the Foundation restricted for enhancements.	<u>1,078,798</u>
	<u><u>\$ 2,008,286</u></u>

NOTE G: RELATIONSHIP WITH THE COLLEGE

The Foundation recognizes certain in-kind donations received directly from the College. The fair market values of these donations have been reflected as both unrestricted contributions and program services expense in the statement of activities as follows:

Donated salaries and contract services	\$ 354,456
Donated supplies, printing, duplicating, travel and postage	<u>24,605</u>
	<u><u>\$ 379,061</u></u>

STATE COLLEGE OF FLORIDA FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE G: RELATIONSHIP WITH THE COLLEGE (CONTINUED)

For the year ended September 30, 2009, the Foundation made contributions and payments for services to the College for the following purposes:

Scholarships	\$ 1,341,241
Enhancements	1,022,030
Salaries, contract services and other	<u>169,207</u>
	<u>\$ 2,532,478</u>

Of the amounts above, the Foundation had an outstanding balance payable to the College of \$64,960 at September 30, 2009.

NOTE H: TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets consist of the following restrictions as of September 30, 2009:

Athletics	\$ 141,346
Nursing	3,549,177
Health sciences	1,307,935
Public services	456,054
Minority students	283,664
Business and communication	104,115
High school seniors and articulation	1,723,267
AA/College transfers	2,298,047
Undesignated scholarships	8,268,529
General memorials	128,987
Loan programs	378,225
Arts	394,581
Fine and performing arts	115,748
Instructional equipment	2,490,372
Cultural	131,170
Other purposes	<u>112,927</u>
	<u>\$ 21,884,144</u>

STATE COLLEGE OF FLORIDA FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE I: PERMANENTLY RESTRICTED NET ASSETS

Permanently restricted net assets consist of the following restrictions as of September 30, 2009:

Nursing	\$ 1,983,790
Health sciences	1,954,112
Public services	162,500
Minority students	232,210
High school seniors and articulation	1,291,724
AA/College transfers	2,097,006
Undesignated scholarships	2,351,085
Fine and performing arts	591,581
Instructional equipment	1,201,536
Other purposes	<u>327,638</u>
	<u>\$ 12,193,182</u>

NOTE J: CONCENTRATION OF CREDIT RISK

The Foundation maintains its cash balances at a financial institution located in Bradenton, Florida. Accounts at this financial institution are secured by the Federal Deposit Insurance Corporation (FDIC) currently up to \$250,000 per customer. The balances of these accounts at times may exceed Federally insured limits. At September 30, 2009, the Foundation exceeded the insured limit by approximately \$871,000. The Foundation utilizes a daily automated investment sweep service sweeping all balances in excess of a target amount into daily repurchase agreements. Management considers this risk to be minimal.

NOTE K: ACCOUNTING FOR UNCERTAINTY IN INCOME TAXES

The Foundation presently recognizes income tax positions based on management's estimate of whether it is reasonably possible that a liability has been incurred for unrecognized income tax benefits. As previously noted, due to the Foundation's 501(c)(3) status, no provision for income taxes is reflected in the accompanying financial statements.

The Financial Accounting Standards Board (FASB) has issued a recent accounting principle for accounting for uncertainty in income taxes which prescribes a recognition threshold and measurement standard for the financial statement recognition and measurement of an income tax position taken or expected to be taken in a tax return, including positions that the Foundation is exempt from income taxes or not subject to income taxes on unrelated business income. It also provides guidance on de-recognition, classification, interest and penalties, accounting in interim periods, disclosure and transition.

STATE COLLEGE OF FLORIDA FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE K: ACCOUNTING FOR UNCERTAINTY IN INCOME TAXES (CONTINUED)

The FASB has provided a deferral election for nonpublic enterprises for implementing the accounting principle for uncertainty in income taxes. The Foundation has elected to defer the application of this accounting principle. The Foundation will be required to adopt this principle in its September 30, 2010, annual financial statements. The provisions of this accounting principle are to be applied to all tax positions upon initial application. Accordingly, only tax positions that meet the more-likely-than-not recognition threshold at the effective date may be recognized or continue to be recognized upon adoption.

The cumulative effect of applying the provisions of this accounting principle will be reported as an adjustment to the opening balance of net assets for the fiscal year of adoption. Management has assessed the impact of this accounting principle on its financial position and results of operations and believes the adoption of this accounting principle will not have a material effect on its financial statements.

NOTE L: FAIR VALUE MEASUREMENTS

Generally accepted accounting principles in the United States of America establishes a hierarchy for which assets and liabilities must be grouped, based on significant levels of inputs (assumptions that market participants would use in pricing an asset or liability) as follows:

- Level 1: Quoted prices for identical assets or liabilities in active markets.
- Level 2: Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-driven valuations whose inputs are observable or whose significant value drivers are observable.
- Level 3: Significant inputs to the valuation model are unobservable.

The following assets are required to be measured at fair market value on a recurring basis and the classification within the hierarchy as of September 30, 2009, is as follows:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Investments	\$ 17,658,757	15,316,983	1,721,836	34,697,576
Beneficial interest in remainder trusts	1,167,008	841,278	--	2,008,286
Beneficial interest in perpetual trusts	208,065	108,909	--	316,974
	<u>\$ 19,033,830</u>	<u>16,267,170</u>	<u>1,721,836</u>	<u>37,022,836</u>

The fair value of the Foundation's Level 1 financial assets is based on quoted market prices of the identical security. The fair value of the Foundation's Level 2 financial assets is obtained from readily available pricing sources for the identical underlying security that may not be actively traded. The Foundation's Level 3 financial assets consist solely of an alternative investment in the SEI Offshore Opportunity Fund II, Ltd. (the Fund). The value of the Level 3

STATE COLLEGE OF FLORIDA FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE L: FAIR VALUE MEASUREMENTS (CONTINUED)

investments is based on unobservable inputs (assumptions that market participants would use in pricing an asset) that reflect the Fund's own assumptions based on the best information available.

As of September 30, 2009, the Foundation did not have any liabilities measured at fair value.

The following is a reconciliation of the investments in which significant unobservable inputs (Level 3) were used in determining value:

Fair value at October 1, 2008	\$ 2,590,282
Sale of investments	(525,000)
Change in value	(352,417)
Other	<u>8,971</u>
	<u>\$ 1,721,836</u>

The inputs or methodology used for valuing securities are not necessarily an indication of the risks associated with investing in those securities.

NOTE M: ENDOWMENTS

The Foundation holds various endowments which are either donor restricted or board designated. The Board of Trustees of the Foundation has interpreted the Uniform Management of Institutional Funds Act of 1972 (UMIFA) as requiring the preservation of the original gift as of the gift date of the donor-restricted endowment fund, absent donor stipulations to the contrary. As a result of this interpretation, the Foundation classifies the original value of the gift as permanently restricted. The remaining portion of the donor-restricted endowment fund is classified as temporarily restricted net assets. The unrestricted portion of the endowment fund may be used at the Board of Directors' discretion, unless the donor restricts it otherwise.

The Foundation has adopted investment and spending policies for endowment assets that attempt to protect the principal of the fund, provide consistent long-term income returns, and protect the Foundation against long-term inflation trends. To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

STATE COLLEGE OF FLORIDA FOUNDATION, INC.
NOTES TO FINANCIAL STATEMENTS

NOTE M: ENDOWMENTS (CONTINUED)

In the Foundation's accounting system, all transactions are tracked at the project level. When endowed contributions are received from donors, they are either added to an existing endowed project as determined by the donor, or a new endowed project is created based on donor intent. The projects may include activity which may be unrestricted, temporarily restricted or permanently restricted based on the circumstances surrounding the transaction. For example, if a donor donates to a project and endows the original contribution, a subsequent contribution, if not specified to be permanently restricted for the same purpose, could be temporarily restricted or unrestricted. When determining activity to endowments, the Foundation looks to the intent of the project in which the original endowed donation was made.

The endowment net asset composition at the project level as of September 30, 2009, is as follows:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Donor-restricted endowment funds	\$ --	13,882,691	11,357,089	25,239,780

SUPPLEMENTAL INFORMATION

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

State College of Florida Foundation, Inc.
Bradenton, Florida

We have audited the financial statements of the State College of Florida Foundation, Inc. (the Foundation) as of and for the year ended September 30, 2009, and have issued our report thereon dated February 18, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Foundation's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Foundation's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Foundation's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However,

providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Board of Directors, audit committee, management, Federal awarding agencies and pass-through entities, and the Auditor General of the State of Florida and is not intended to be and should not be used by anyone other than these specified parties.
