It is our hope that you will consider becoming an event sponsor in support of our community's deserving students. SCF is the region's first choice for innovative, responsive, quality education, workforce training and community partnership – offering 50% less tuition cost than a university and an annual economic impact of nearly 7,710 jobs within our workforce community! Your donation is vital to the continuation of the scholarships and enhancements in programs, technology, and infrastructure that enable SCF to meet the marketplace right at the heart of need.

Rave reviews from last year's guests said this was the best evening of the SEASON with a casual, relaxed setting perfect for entertaining guests or clients! This exciting night will include a **gourmet dinner, student interaction, a compelling silent and live auction, live music by our award-winning musicians, an open bar (of course!) and a few surprise treats.**

We look forward to welcoming you as a prominent partner of local higher education. It is never too early to make your commitment to help us make a difference in our community.

Very truly yours,
